A Time For Us

"These are the young years, the fruitful years when time means only the day after tomorrow. These are the years of wistful-eyed beings with tender dreams, but youth is brutal as well as tender, and youth is reality as well as a dream.

A flower blooms and fades and blows away - and blooms again, according to the season; and in like manner youth exists from spring to spring, for to everything there is a time; a time for us."

But the part of your life we knew as friends was one of kindness and generosity. You were always ready to lend a hand and you would never turn your back on anyone.

We all were sad over your death and we will always love you as a classmate and a friend.

You will always be in our thoughts."

The CLASS OF 1974 has had a successful year, thus far, with such extra activities as bake sales and after-game dances Each class has its ups and downs and the sophomores proved this as, again they captured last place in the annual homecoming float competition. The spirit of the class was upheld though, as they continued to yell their loudest at pep rallies and games. The most exciting event of the sophomore class is the ordering of class rings in the spring.

The following is Coach John Dillon's resume of the 1971 reserve football season: "This year's season was one of few victories but also having its bright spots. Our victories came against two of the toughest teams we played. Of all our defeats we were only over powered by Addison which we held scoreless in the second half. Our main weakness was lack of depth with less than fifteen players for most of the season. Overall I feel that we accomplished much this season and I am optimistic about next year's varsity team."

This year, as for the past 13 years, the Bulldogs were undefeated boasting their winning streak to 90 straight, which is a new state record. The Morenci Thinclads were also League, Regional, Albion and Tecumseh Relay Champions.

Two new school records were set: in the 120 yard high hurdles Skip Hall covered the distance in 14.8 seconds and the new event, the 440 yard relay, a team composed of Jim Place, Gary Pfund, Mark Barber and Skip Hall ran the lap in 46.8 seconds. Hall also led the team in scoring with 208 3/4 points.

"This year's track team was perhaps one of the strongest teams we've had in the past few years. Defending our crowns in the Albion and Tecumseh relays and taking the regionals and placing high in the state meet, is an impressive record. I feel next year's team has the potential to add to our record breaking streak." Coach Roger Towne.
